Sub: Thank you very much!

Dear **Dr. Iyer**,

We take this opportunity to place on record the yeoman services rendered by you over the last 2 years as an OD Consultant and Trainer.

The lion's share of the credit for us receiving the prestigious award from ACMA (Automobile Components Manufacturers Association) in the HR Excellence Category at the hands of Honorable Minister of Heave Industries & Public Enterprises Mr. Anant Geete in a function at Delhi goes to you.

We must add that the programs you conducted once the HR strategy was in place-were of a superior category (Example in the LEAD program –jointly conceived by both of us). Trainings on Personal Effectiveness , Team Effectiveness, MBTI Profiling, Performance Counseling and Feedback , Conflict Resolution, etc. were all deeply appreciated – these were organized for our HOD Level (next to the Board of Directors).

We often wonder at the kind of passion and enthusiasm that you bring in the classroom, coupled with your command over English and Hindi (where need be) is phenomenal. After participating in your workshops- people feel confident to implement the concepts practically & the difference in their behavior has been actually noticed by us.

We would like to continue our association with you in the future as a guide and mentor.

May God bless you with a long, healthy and happy life!
